

## **Help for Homebound Seniors!**

Onondaga County has announced a phone number for homebound seniors to call to begin the process of scheduling a COVID-19 vaccine appointment.

Starting Monday (March 15, 2021), from 12 p.m. to 4 p.m., seniors can call **315-679-4099** and give their necessary information so that an appointment can be made for them at a later date.

The service is for seniors who are **not already connected** to a homecare agency.
