

TOWN OF LYSANDER MASK GUIDELINES

Recently the CDC changed its guidelines regarding masks. Vaccinated people no longer need to wear a mask or physically distance in any setting, except where required by federal, state, local, tribal, or territorial laws, rules, and regulations, including local business and workplace guidance.

As of this date, the Town of Lysander will not require anyone entering the building or attending Town meetings to wear a mask **if they have been vaccinated**. Otherwise, those who are not vaccinated **must wear a mask**.

Thank you for your anticipated cooperation!
